

AGAINST NATURE DEFICIT DISORDER

Greener Schools Group

CREATE A SUSTAINABLE LIBRARY

With environmental children's literature

Quinns bookshop, Market Harborough.

Thanks to the hard work carried out by Quinns bookshop we can now help you create a more sustainable library.

Attached in the email you'll find a list of 65 children's environmental books, with corresponding age/key stage suitability including EYFS, KS1, KS2, KS3, front cover image, ISSN code, and price.

Contact Quinns bookshop directly, for a discount for larger orders.

Better together

YOU ARE INVITED....

Greener Schools Group have **AGAIN** teamed up with the Eco Village to host their second eco-focused workshop for education and school leaders.

When and where: Join us at **7pm** on the **12th January 2022** at the Eco Village, St Marys Road, MH, for a relaxed and informative 90 minute workshop.

Guest speaker: Marie McNally, head of year 9 at Leicester Grammar School, will lead us through the benefits of getting involved with core National Green Schemes. Sharing one of their highs, how they managed to get a student to COP26! www.bbc.co.uk/news/uk-england-leicestershire-59186164

Teachers and students: Turn off ALL energy using appliances when not in use
